

# HADLEY TWP. FIRE DEPT.

## COMMAND STRUCTURE

---

Personnel may respond to an incident they are not trained or certified within under the following circumstances:

Medicals: must respond to hall, non-emergency, and await trained/certified personnel or direction from said person.

Fires: first responders may respond to hall and respond with ambulance or any other department vehicle allowed by Fire Chief

Personnel cannot assume command for either fire or medical until they possess the appropriate certification (Firefighter I&II or medical license)
