

POLICY: CONCEALED WEAPONS

Hadley Township Fire Department
Policy #010

I. PURPOSE

To establish a concealed weapons policy intended to ensure the safe operation of all Hadley Township Fire Department personnel during incident response and training.

II. SCOPE

Michigan law permits licensed individuals to carry a concealed weapon. The law also specifies that an employer may further restrict this privilege within the work environment. This BPG defines such a restriction. This guideline supercedes all previous documents concerning the same subject matter and becomes effective immediately.

III. GENERAL

- A. Personnel are not permitted to carry a concealed weapon while responding to an emergency incident. Any and all weapons are to be securely stowed out of sight in the individual's personal vehicle **before responding to the incident.**
- B. Weapons are not permitted in any Hadley Township Fire Department vehicle. Any and all weapons are to be securely stowed out of sight in the individual's personal vehicle **before responding to the incident.**
- C. Personnel are not permitted to carry a concealed weapon while training with the department. Any and all weapons are to be securely stowed out of sight in the individual's personal vehicle **before responding to the training.**
